

**Timetable of lectures and classes
for the first-year students of Drug Discovery and Development *Biology in Pharmaceutical Sciences Microbiology*
programme in the winter semester 2024/2025**

No.	Date	Group	Time	Topic
1	7.11.2024 (Thursday)	A	08.30-11.30	Introduction to microbiology. Microbial cultures – methods and Requirements
		B	12.00-15.00	
No.	Data	Grupa	Godzina	Topic
2	12.11.2024 (Tuesday)	A	08.30-11.30	Methods of identification of micrororganisms
		B	11.45-14.45	
No.	Data	Grupa	Godzina	Topic
3	22.11.2024 (Friday)	B	10.45-13.45	Antimicrobial agents, therapy and Susceptibility testing
		A	14.00-17.00	
No.	Data	Grupa	Godzina	Topic
4	26.11.2024 (Tuesday)	B	08.30-11.30	Methods, principles and quality control of Sterilization and disinfection
		A	14.30-17.30
